

# ENSURING A SUSTAINABLE AND RESILIENT RESPONSE TO COVID-19 AND EMERGING INFECTIOUS DISEASES THROUGH LOCAL PRODUCTION

UN High-Level Political Forum 2021 Side Event

**TUES JULY 6 AT 7:30 AM ET**

Register at [tiny.cc/HLPF2021-localprod](https://tiny.cc/HLPF2021-localprod)

This panel will discuss what it will take to ensure that regional innovation hubs and local producers pick up where, for example, 1st-generation vaccine manufacturers might leave off. Expert panelists will offer important stakeholder perspectives on opportunities to expand local production and harness pooled procurement, the challenges ahead and how they might be met.
